**LEAGUE OF LEGENDS TOURNAMENT**

In line with the upcoming College Day 2018, one of the activities of the **Information Technology Students Association** is the **League of Legends Tournament**. League of Legends is an online multiplayer battle arena video game where two teams of five players defend their base against each other.

The objective of the tournament is to provide entertainment to the students while also letting them apply their skills in **team cooperation, coordination, logical thinking, and decision making**.

This letter signifies that \_\_\_\_\_ is in **good academic standing**, has a **good class attendance**, and **practices the skills stated above**.
